Reminder:

New Address: Please be advised that the NSCP has changed its mailing address to:

**Nova Scotia College of Physiotherapists
PO Box 309, Dartmouth Main
Dartmouth, NS B2Y 3Y5**

All other contact points, e.g. phone numbers, email addresses etc remain as before.

Website: The NSCP website was updated over the past weeks in stages. On October 28, 2013 the Membership lists were updated for the fourth time in 2013. Please review your information and report any problems to Pat in the office at: office@nsphysio.com

All forms and documents with our old address have been updated and the revised addresses include the NSCP Office or the Registrar's Office depending on the document.

Registration Renewals: November starts on Friday of this week and November is Renewal Registration time, when all of us renew our registrations for 2014. The online system will open November 1, 2013 and all members who require their registrations updated will begin to receive emails from Pat with the address for the online registration process and a Username and Password. Remember by law you must be registered before December 1, 2013 or you will be

subject to a \$100 late fee. We collected one (1) late fees last year and it would be great NOT to collect any this year.

We have 683 members who are required to register at this time of which 13 are already registered for 2014, this means that during November 670 member will register online; so don't wait until the last moment.... And if you do not receive a renewal email on Thursday of next week with your Username and Password and believe you should have; call Pat at the office.
