

# Provisional Certificate of Registration— Cross Border Practice

## Application Checklist

Complete and send this Checklist to the College with your application.

Please be sure that all of the items that apply to you are included in your application.		College Use Only
<input type="checkbox"/>	I have completed and enclosed the application form.	
<input type="checkbox"/>	I have or will get professional liability insurance before I begin to provide patient care.	
<input type="checkbox"/>	I am currently registered to practice as a physiotherapist in another Canadian province or territory. I have made arrangements with that/those regulatory bodies to send Letters of Regulatory Standing directly to the Nova Scotia College of Physiotherapists.	
<input type="checkbox"/>	I understand that if I am granted a Provisional Registration Certificate—Cross Border Practice, I will only provide care to Nova Scotia patients whose physiotherapy began with me in another province and who would benefit from continued and time-limited service in Nova Scotia, or where services are <u>not available</u> in Nova Scotia but would benefit patients.	
<input type="checkbox"/>	I understand that I must follow the statutory laws and associated regulations, practice standards and guidelines related to, and for, the practice of physiotherapy in Nova Scotia.	

Please send this Checklist to the Nova Scotia College of Physiotherapists, along with your completed application.
