

**SELF REFLECTION**

**IDENTIFICATION OF LEARNING NEEDS FORM**

Previously Identified Learning Needs	
1.	_____
2.	_____
3.	_____
4.	_____
5.	_____

Day	Week 1 (Situation)	Week 2 (Situation)
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

For each work day, over the course of 2 weeks, record a work-related situation or practice question that arose during that day. At the end of the 2 weeks reflect on the situations and questions. Summarize them and determine if there is a consistent theme(s) that could be addressed through further education. Compare these newly established learning needs with your previously identified needs and set your priorities.
